## Public Meetings Begin to Evaluate New Transit Service Along Dumbarton Corridor

February 20, 2019

Beginning this weekend, the San Mateo County Transit District and Cross Bay Transit Partners (CBTP) will host a series of introductory meetings about the future of the [Dumbarton Rail Corridor](#) in both the East Bay and on the Peninsula.

The [Transit District](#) and [CBTP](#), an affiliation between [Facebook](#) and [Plenary](#), are engaged in a public-private partnership to explore opportunities to improve transportation by establishing a new, high-quality, high-capacity public transit system along the Dumbarton corridor in the San Francisco Bay Area.

The public meetings will acquaint the community with the project partners, and will allow the community to learn about the project background, goals, funding, timeline and process.
